

Report of National Inspection and Monitoring Committee (NIMC) visit to Delhi State (20th to 22nd December 2017)

The National Inspection and Monitoring Committee (NIMC) comprising of Dr. Mandeep Kaur, Deputy Director (FW)-cum-State Nodal Officer (PNDT) Govt of Punjab, Shri Gurdip Singh Badhan, SSO, MoHFW, Dr. Rajnikant Contractor Representative FOGSI and Dr. Rajesh Sharma, Representative IRIA visited Delhi state from 20th to 22nd December 2017. State Appropriate Authority authorised officers of Govt of Delhi also accompanied the NIMC Team. These officers were Dr. Satyajit Kumar, SPO, PC & PNDT, Dr. Neeta Aggarwal, Medical Officer, PNDT, DFW, Dr. Souharda Nath, District Nodal Officer, PC & PNDT, West District, Dr. Sushant Nayak, District Nodal Officer, PC & PNDT, South East District and Dr. Sunita Verma, District Nodal Officer, PC & PNDT, North West District.

Date: 20th December, 2017.

NIMC team met with District Magistrate / District Appropriate Authority Shahdara District in his office and apprised him about the role of NIMC team. Then NIMC team along with State/ District official visited the following facilities:

1. Om Imaging and Diagnostic, Centre, 11-A, Pocket-E, GTB Enclave, Delhi - 110083.
2. Holy Child Nursing Home, C-43-44, East Krishna Nagar, Delhi.
3. Shanti Mukund Hospital, Institutional area, Vikas Marg Ext, Karkardoma, Delhi.
4. Dr. P.K Sedha Clinic, F 3/19, Krishna Nagar, Delhi.

Certain deficiencies / PNDT Act violations were found by NIMC team in the record keeping in Form F (unsigned reports, no radiographic plates and incomplete Form F) in Om Imaging & Diagnostic Centre, Holy Child Nursing Home. No deficiency was found in Shanti Mukund Hospital by NIMC team. Dr. P.K. Sedha Clinic was old one and presently not working, Appropriate Authority had already sealed one old machine which is placed in the premises and custody of the owner of the clinic. Machines had examined that there is no screen and other parts in a damaged condition.

NIMC team recommended the District Appropriate Authority to take the appropriate action as per the provisions of PC & PNDT Act against the centres where deficiencies are found in the maintenance of records.

Certain deficiencies / PNDD Act violations were found by NIMC team in the record keeping in Form F in Dr. Randhawa Ultrasound Training & Research Institute, Janakpuri, Delhi radiographic plates and referral slips are not attached with Form F. In Arya Samaj Charitable Clinic, D-4, Vikas Puri, South West Delhi we found few incomplete Form F in form of missing signature of performing doctor. In All India Institute of Medical Sciences we found that some Form F did not have seal of doctor and radiographic plates not attached with Form F and kept in the main record section of institution. No deficiency was found in Shanti Mukund Hospital by NIMC team.

NIMC team recommended the District Appropriate Authority to take the appropriate action as per the provisions of PC & PNDD Act against the centres where deficiencies are found in the maintenance of record.

Date 22nd December 2017

On last day of visit NIMC team held a meeting with Dr. Satyajit Kumar, SPO, PNDD and team members of PNDD cell in his office, regarding the effective implementation of PC & PNDD Act in Delhi State. NIMC was informed that Delhi State PNDD cell is doing lot of awareness activities at various places, in order to create awareness among masses and encourage girl child. Some of the initiatives taken included distributing the painting books in school & colleges containing messages to encourage the girl child.

NIMC team met with District magistrate / District Appropriate Authority West District and apprised him about the role of NIMC team and inspection done in district.

During three days visits State and District officials provided full support to NIMC team during inspection.

[Copies of on spot memorandum detailing out the findings of inspections and recommending appropriate action was submitted to concerned District Appropriate Authority for appropriate action are enclosed for reference].

Recommendations of NIMC Team:

1. State/ District Appropriate Authorities may consider digitalization all registration records of clinics in the districts for effective monitoring.
2. District Appropriate Authorities are to adhere strictly to the formats prescribed in the PNDDT Act including Form F.
3. Name Centres/ facilities already closed will be deleted from the list of centres.
4. Officials working in PNDDT sections of the State & various districts should have a fixed / minimum tenure of posting in PNDDT sections for monitoring of effective implementation of the PC & PNDDT Act.
5. SIMC/DIMC undertakes regular inspections to monitor implementation of Act and take appropriate action as per the provisions of Act if violations are found.
